Profile Summary

Results-oriented Full Stack Developer with one year of experience in early-stage start-up environments. Adept at leveraging a diverse technical skill set to design and develop scalable web applications. Passionate about creating innovative solutions that drive business growth. Excellent problem-solving skills with a strong attention to detail. Thrives in fast-paced, collaborative environments.

Currently I am focused on React.JS, NextJS and Redux.

I am also familiar with NodeJS, Express, MongoDB and Mongoose.

Skills

React JS | Next JS | Node JS | Mongo DB | Redux | Redux-Saga

React Context API | REST API | Tailwind CSS | Styled component | JavaScript

ECMAScript | JQuery | Bootstrap | CSS | HTML
